Races for June Eleventh

Permission has been secured from Keeper Young of the Kapiolani Park to work the track and much enthusiasm is beginning to show for a real old Eleventh of June race day.

There are events planned for the park for the next half dozen Saturday afternoons and the interest already excited by previous events and the things to be pulled off this afternoon and succeeding Saturdays is growing to a strength that promise a big meet for Kamehameha Day.

"We have secured permission to use the track on the eleventh of June," said E. H. Lewis yesterday, "and we have been granted the right to go ahead and put it in condition. We will have it in as good shape as it ever was, when the big day comes, and we expect that the town will see a real old time Kamehameha Day lot of sport."

This afternoon at 4:30 o'clock Warren's Indigo and E. H. Lewis' Polo Mallet do the three-eighths and it has

every forewarning of being a close rub, for both horses were tried out yesterday, Polo Mallet in the afternoon and Indigo in the forenoon, there being not the fraction of a second difference in their time.

Lewis' horse is a quarter-miler and he is taking something of the short end when he puts his animal up against a three-eighths proposition, but he will let the results show whether or not he is justified.

Following this race a Mexican pony, flourishing under the title of False Alarm and sported by a sport who drives for the Palm Dairy, will be matched against a Maui horse. The second event was spoken for as to be Lewis' Mallet against Candy Boy, but Lewis would not think of it, following the race with Indigo.

Candy and Polo Mallet may be counted on for a race next Saturday afternoon and later a hot three-cornered race will draw the crowds, when Indigo, Candy Boy and Polo Mallet will fight it out.

Six hundred people turned out to see last Saturday's race and it is expected that today will bring forth a thousand.

KAMEHAMEHAS
VS. PUNAHOU

The annual dual track meet between Oahu College and the Kamehameha Schools will take place this afternoon. The 100-yard dash will finish not later than eleven seconds after two, and all officials and spectators are urged to be present promptly at two o'clock.

The dual league between these schools includes contests in football, soccer, track and field events, and baseball.
Punahou won the football championship, Kamehameha won the soccer championship, and every effort is be-

ing made by the rivals to win the honors today. In the past ten days much new material has developed, and several of the events will be won by dark horses.

Much interest centers around today's meet because of the line it will give upon the possibilities for the island meet next Saturday. The track has been widened to the 220-yard mark and the rollers are packing it down, so that the outlook for broken records is good.

Coaches Reed for Punahou and Livingston for Kamehameha have had their teams at the field every evening this week, accustoming the contestants to the track and field.

The St. Louis Alumni hold their regular quarterly meeting in their club-room tomorrow morning and all members are asked to be in attendance.
